

# License Agreement:

By purchasing a license for any Alonso Sound product, you accept the following product license agreement:

## ***1. License Grant:***

The license for each Alonso Sound product is granted to a single individual licensed User only. No unlicensed use is permitted. All sounds, samples, programming, images, scripting, designs, and text contained in this product are copyrights of Alonso Sound, LLC. This product is licensed, but not sold, to the licensed user by Alonso Sound, for commercial and non-commercial use in music, sound-effect, audio/video post-production, performance, broadcast or similar finished content-creation and production use. Examples of such productions include, but are not limited to, music productions, motion pictures, television programs, streaming audio and video, interactive games and software, radio broadcasts, advertisements, and motion graphics.

Alonso Sound allows the User to use any of the sounds and samples in the library(s) and presets they have purchased for the creation and production of commercial recordings, music, sound design, postproduction, or other content creation without paying any additional license fees or providing source attribution to Alonso Sound, LLC.

This licensee MAY NOT use the Sounds in isolation as sound effects or as loops (i.e. a sequence of musical events) or within any competitive products that are sold, relicensed, or redistributed to third parties.

## ***2. Transfer:***

This license expressly forbids resale, relicensing or other distribution of the Sounds, either as they exist or any modification thereof. You cannot sell, loan, rent, lease, assign, upload to or download from any shared server space, or transfer all or any of the enclosed sounds to another user, or for use in any competitive product.

## ***3. Rights:***

Alonso Sound retains copyright ownership of all recorded sounds, instrument programming, documentation and musical performances included within this product. All past and future versions of any Alonso Sound product, including any versions previously published or sold through any other entity are fully bound and covered by this agreement. The licensed User shall own the copyright to any music, sound design, or other audio/video content they create through the authorized use of licensed Alonso Sound product(s).

## ***4. Responsibility:***

Use of this product and any supplied or associated software or data is at the licensee's own risk. By installing the product, the User accepts sole liability and full responsibility for any direct or indirect loss or damages arising from the purchase, installation, or any use of this product.
